

## Children's Village

There will be NO fee into the Village this year! On both days our Kidz Zone will be packed with fun and entertainment for all kids. We will have the Bouncy castle, the obstacle course, and the super slide. There will be Face painters and, games to help create a special day for the little ones!

## Stalls

On Saturday a number of trade stalls selling a huge variety of things will join our own ASH Fayre stalls.

Tracey Sinnott will run the ASH Cake stall on Saturday. On Sunday you will find Oonagh Barrett at the helm. Oonagh writes a weekly column in the Carlow Nationalist and took part in the Great Irish Bake off in 2013. Get baking girls...

Of course we will introduce this year's new Christmas cards as well as next year's calendar - all fresh from the press.

## Food and Refreshments

Nobody will need to go hungry or thirsty. There will be food, treats, ice creams, coffee & tea, and our chocolate fountain with fresh strawberries - sinful but divine. By all means work up an appetite; we'll be ready for it!

## Mind the Coppers

Have a little look around your house - the desk drawer, back of the sofa, and on the night stand. Do you keep a jar with coppers and other coins?

Why not bring them for ASH - you won't miss them and for us it means a lot, a bill paid, the farrier's fee taken care of, a box of worming tablets, an operation paid for, or some vital vaccinations perhaps. Please bring them along - We will use them wisely! (Thanks)

The event will take place from 2.30pm on Saturday the 26th of September 2015 in Duckett’s Grove, Co. Carlow.

It costs €20 per person to register.

Registration includes the following:

- Your Costume essentials

- Goody bag

Anyone getting €40 sponsorship will get the €20 registration fee refunded! Yes, that is win-win for all.

ASH Animal Rescue is one of the largest animal shelters in Ireland. We have over 200 animals at all times. These are mostly dogs and cats, with a few farm and wildlife animals too.

ASH operates a strict NO KILL policy.

It costs about €180,000 per year to run the centre in its current format. The Department of Agriculture has kindly given us a grant of €20,000 this year. We have to raise a staggering €160,000 to keep saving lives of straying and unwanted animals. Keep in mind this is only operational costs and does not allow for any further development or improvements to the centre.

# Craic Agus Ceol

Before the blessing starts we will all have a chance to fill out one or more paper strips. On these we write the name(s) of animals we have lost and who were dear to us. We can also write names of animals we still have but could not bring today.

# Dog Agility Course

Dog agility is a great way for you and your dog to bond. It is a fun and good form of exercise for your dog. It requires control and coordination from the handler to guide your dog through an obstacle course of jumps, weaves and tunnels.

Any size, breed, and age of dog can be taught agility.

We are very happy and exited that Carlow Dog Training Club will be in Duckett’s Grove with their agility course. Billy and the team will tell you about agility; they will show you agility, and they will take your dog around the course.
